

The logo consists of the letters "GCONF" in a stylized, hand-drawn font. The letters are filled with a vibrant, multi-colored texture that transitions through green, yellow, orange, red, and blue. The background behind the letters is a dark, textured surface that appears to be made of fine particles or dust.

# INTRODUCTION

NEODYBLUE & TOOGY

The logo for GCONF is displayed again, but this time the letter "O" contains a black silhouette of a lit incandescent lightbulb. The rest of the letters "G", "N", "F", and "S" are in a solid red color with a slight drop shadow.
